SCAN ME

Strong arguments for a vocational education

-  In-depth knowledge at vocational school and practical lessons in the company
-  Own income starting from the very first day of training
-  Good prospects for a secure job after successful course completion
-  Opportunities for further education up to Bachelor Professional or Master Professional
-  Shortened training period possible
-  Internships abroad/ERASMUS+ throughout the educational program
-  Free BAMF professional language courses for trainees

Setting off is easy!

We advise you on requirements and prospects.
